Dear Parents,

Welcome to our May newsletter. As is always the case with the Summer Term we have lots of things going on and the weeks are flying by and already we are in the position of wishing you a relaxing half term break!

Among the highlights for the next few weeks are Sports day which takes place tomorrow, (weather permitting!), the Summer Fete, St Louis Day and finally the Summer Production.

SPORTS DAY REMINDERS

We look forward to seeing you all at Sports Day tomorrow. Here are a few reminders to help the day go smoothly:

- Foundation Stage, Year 1, Year 2 and Year 6 helpers may come to school in their PE kits in the morning.
- Children in Years 3, 4 and 5 should come to school in their normal school uniform. Please ensure their PE kits are in school.
- If it is sunny please provide a sun hat and put on sun cream before coming to school. It would also be useful to bring a water bottle.
- If it is wet and the day has to be cancelled a decision will be made by 9.30am at the latest. (Reserve Sports Day date is 4th June.)

SUMMER FETE

The PTA have been hard at work organising the Summer Fete which takes place on June 13th. However, they need your support and are especially looking for volunteers to help on the day and donations of more raffle prizes.. If you are able to help with the fete in any way, or if you can donate a raffle prize, please contact the school office. Most importantly of all, they need everyone to come along on the day to enjoy everything that they have worked so hard to organise.

The PTA work incredibly hard throughout the year to raise funds for more resources for the school. You may have noticed that we have some lovely new picnic benches on the Key Stage 2 playground - which of course have been donated to the school by the PTA!

WALK TO SCHOOL WEEK

Thank you all for taking part in 'Walk to School Week' so enthusiastically! We have had our 'Shoesday Tuesday' today when the children decorated their shoes. The best decorated shoes won prizes! The winning shoes can be seen below and the winners were:

Upper Key Stage 2	Anna Nelson
Lower Key Stage 2	Gabriela Rusin
Key Stage 1	Maya Stromska
Reception	Jude Evangelista

BIKE TO SCHOOL WEEK

The week beginning 8th June is 'Bike to School Week' when we would like as many children as possible to ride their bikes or scooters to school.

Don't forget that when riding your bike you need to wear a helmet and ride safely - including getting off your bike or scooter to cross the road with the lollipop lady!

RETURNING FORMS

Can we remind parents of the importance of returning forms to school promptly before the papers get a chance to be lost or mislaid.

Mrs Bellingy is very busy in the office and continually having to send out more copies of letters adds to her workload considerably.

Please ask your child regularly if they have brought any letters home and return them straight away. Thank you!

THRIFT SHOP

After the half term holiday you may start thinking about your uniform needs for next year! When you buy your new uniform please remember that we always warmly welcome any outgrown uniform that you may be able to donate to our Thrift Shop.

Thank you.

DRIVING INTO SCHOOL

We have recently had incidents of 'bad driving' on the school drive. Please remember to take care to drive slowly up the school drive (5 miles per hour). Parents should only be driving up the drive to drop off for breakfast club (in the big playground) or to collect a child due to illness or an appointment.

Unfortunately there is no barrier between the drive and the pedestrian access, so please take great care and drive slowly at all times. **DO NOT OVERTAKE** another car on the drive and please wait patiently at the bottom of the drive if a car is coming out of school.
