To: All Parents

25th January 2017

Dear Parents,

We are making communication easier, faster and more effective

I am pleased to advise you that we have introduced a new service – School Gateway. This means that we can share information with parents more quickly via email, text, online and smartphone app.

You will also be able to make payments via credit and debit card, view breakfast club balances and give online consent for activities such as school trips. Parents also have the ability to see Club sessions and make payments towards any booked sessions.

What you need to do now

Download the app: if you have a smartphone, please download School Gateway from your app store (Android and iPhone). The app shows the same information as the website PLUS you can send app messages to the school for **FREE** – this will also save the school money when we send text messages.

Or

Visit the website www.schoolgateway.com and click on 'New User'. You will receive a text message with a PIN number. Use this PIN to login to School Gateway.

Can't activate account?

If you are having trouble activating your School Gateway account, it may be because school doesn't have your current email and mobile phone number on record. Please call the school and we'll update the details on our system.

We hope that you will find School Gateway a valuable way to keep up to date.

Yours sincerely,

M Louisy
Head Teacher
