

## Headteacher's Update – 21.6.24

Dear Parents,

Happy St Louis Day!

It was lovely to come together as a school community today to celebrate St Louis day. This morning, the liturgy team delivered a presentation about the life of St Louis which concluded with some beautiful prayers. It is good to always remind ourselves of what a great person St Louis was and the example he set for us all.

As usual, it was wonderful to finish the celebrations with everyone on the field for our annual picnic. Thank you to everyone who was able to make it. I know how much the children love this day and appreciate the lengths you all go to, to support our school events. Special thank you to parents who inherited some extra children this afternoon, to help out those parents who were not able to make it. I hope you enjoyed your time as much as I did.

### **Pupil Achievement**

Well done to Cassius in Year 4 who competed in the soap box derby in Aylesbury today and won the best looking kart competition!

## Greek Day

Year 4 had a great time celebrating their topic about the Ancient Greeks. The outfits were amazing (including the staff) and I know everyone enjoyed the range of activities that had been planned: The children 'took a flight' to Greece, created their own Greek Olympic medal as well as taking part in Greek Olympic activities. They prepared a Greek salad and tzatziki which they then enjoyed with pitta bread at the end of the day!

### **Reminder about play equipment and marble run**

I know it is tempting when the sun is out to let your children play on the playground equipment. Please do not do this for safety reasons. It is only to be used by our pupils during school time under staff supervision. Thank you.

If you have any junk modelling materials such as toilet roll tubes, cereal boxes etc that we can use for the marble runs the children will be making next week, then please send them in with your child to their class on Monday.

### **Thank you for the thank yous!**

I wanted to say thank you to the Y6 parents who emailed in their thanks to the staff who made PGL possible. It is a big commitment from staff members and I know how much it means to them to know you appreciate it.

I hope you enjoy this evening as the longest day of the year- the sunshine is most welcome after all the rain we've had.

Best wishes,

Mrs Machin

Learning at St Louis  
Reception

**We have been learning: how to use the number lines to add two numbers together.**

**You can help at home by: encouraging your child to use the number line when they are doing simple calculations.**

Year 1

**We have been learning: how to bowl a ball underarm.**

**You can help at home by: practising throwing and catching a ball using an underarm throw.**

Year 2

**We have been learning: how to bounce and control a ball using a tennis racket.**

**You can help at home by: practising bouncing, throwing and catching a ball.**

Year 3

**We have been learning: about the physical and human features in Texas.**

**You can help at home by: asking your child to name some of the physical and human features in Texas.**

Year 4

**We have been learning: about Islam in RE.**

**You can help at home by: asking your child what they have learned about Islam and what is important to Muslims.**

Year 5

**We have been learning: about the Bayeux Tapestry.**

**You can help at home by: asking your child how the Bayeux Tapestry shows the story of the Battle of Hastings.**

Year 6

**We have been learning: to design a sketchnote about the PGL trip**

**You can help at home by: asking your child what they decided to include in their sketchnote.**
